<sup>1</sup> Tuition will be the same each month regardless of holidays or temporary classroom closure due to a pandemic. Each student will be allowed two weeks (10 days) of tuition free vacation each year. Parents may choose the timing of tuition free vacation at their discretion. We ask that it be taken in 1-week increments. Vacation credits are based on anniversary dates, not calendar years. LMS holds class twelve months per year. Students must be enrolled continuously for twelve months in order to receive vacation credit.

<sup>2</sup> The supply fee is payable upon submission of an application and on an annual basis thereafter. This fee is non-refundable and covers the costs of insurance, materials and admission fees for the full academic year, August through July.

<sup>3</sup> Lakewood Montessori School will follow a full year calendar with the following holidays: **Good Friday, Memorial Day, July 4<sup>th</sup> & July 5<sup>th</sup>, Labor Day, Columbus Day (Teacher In-service Day), Thanksgiving Day and the day after, December 23<sup>rd</sup>, 24<sup>th</sup> and 25<sup>th</sup>, December 31<sup>st</sup> and January 1<sup>st</sup>.** In case of inclement weather, such as ice, snow and/or flooding, the Lakewood Montessori School will generally follow the policy of the Cy-Fair ISD. However, we are more aggressive about staying open. If the public schools close, please call Lakewood Montessori School to see if we are open. If we must close, there will not be a tuition fee adjustment. The faculty salaries and other overhead expenses at the school continue regardless of bad weather.

For our students who are in our 8:00 to 3:00 program who are picked up after 3:15 p.m. there will be a \$5.00 per hour charge. Please sign out in the office. (If you are late 3 times in one (1) month, you will be considered extended care and must pay the extended rate.)

A late fee of \$1.00 per minute will be assessed when students are picked up after 6:30 p.m.
